March 10, 2010

On Wednesday March 10, Dr. Hintereder-Emde Frantz of International Affairs Team, who also Director of International Student Center, and Professor Emeritus Kiyoshi Okutsu visited Edinburgh College of Art in England to discuss academic exchange matters with Yamaguchi University.

Professor Emeritus Okutsu has been engaged on various collaborative projects with Dr. Alan Johnston of Edinburgh College of Art for many years. Based on this, efforts toward the new academic exchange between Yamaguchi University and Edinburgh College of Art were discussed at that time.

Being invited for luncheon hosted by Consul General Tarahara at the Consulate General of Japan in Edinburgh on the same day, Dr. Emde and Professor Emeritus Okutsu enjoyed mixing with officials there.
